BEST KEPT VILLAGE COMPETITION

Yes - Here we go again!

Judging takes place between June 1st and 15th for the preliminary round and means that we shall - some of us - be doing a bit of tidying up round the village, and especially in the churchyard, on Saturday, May 29th, starting at 10.00 a.m. on The Green. Please come and join us, we would love to see some new faces.

The childrens' magnificent effort in April when they collected about half a ton of litter and raised almost £20 for charity has given us a good start, and as we only lost by 2 points last year, there's every chance that it could be our turn this year, provided that we can improve the churchyard which lost us vital marks last time.

SPECIAL NOTE to those who kindly offered to water trees - Are you managing to cope in the drought? If not, please let me know and we will try to rustle up a bucket brigade!
