Extract from New Code, Articles:—

39. The summary of the inspector's report, after his annual visit, or any visit made without notice, and any remarks made upon it by the Department, when communicated to the managers, must be immediately copied *verbatim* into the log-book, with the names and standing (*certificated teacher of the ——— class, or pupil-teacher of the ——— year, or assistant teacher*) of all teachers to be continued on, or added to, or withdrawn from, the school staff, according to the decision of the Department upon the inspector's report. The correspondent of the managers must sign this entry, which settles the school staff for the year.

40. The inspector will call for the log-book and portfolio at every visit, and will report whether they appear to have been properly kept. He will specially refer to the entry made pursuant to Article 39, and he will require to see entries accounting for any subsequent change in the school staff. He will also note in the log-book every visit paid without notice (Article 12) making an entry of such particulars as require the attention of the managers.

SUMMARY OF THE INSPECTOR'S REPORT ON THE SCHOOL, AND REMARKS (IF ANY) TO BE MADE.

"The character of the work is as good as ever. The general order and discipline are, as usual, admirable. A really good work is being carried out at this school; there is a tone about it which one but too seldom meets with in elementary schools. The results of the examination shew diligence on the part of the scholars, and careful teaching in every subject taught. The Needlework is very creditable."

G. Hinds has passed well, and C. Stevens fairly under Article 19(e).

J

NOTE.—The subject (if any) specified after each Candidate's or Pupil Teacher's name denotes that the result of the examination therein has been *unsatisfactory*, and that improvement will be looked for on the next occasion. The marks ° or * denote respectively—(°) that no exercise has been performed, and (*) that there has been a failure in the subjects against which they severally stand. The word "failure" after the Name of a Candidate for admission denotes that the Candidate failed in the examination.
