Congratulations Chenies!

IT was congratulations all round in Chenies this week as the news broke that the pretty little village has won the coveted title Best Kept Village — in its own category of villages with a population of less than 500.

Pictured above casting an approving glance over the tidy village green are co-ordinators of the competition effort Chairman and Vicechairman of the parish council, Mr Graham Aylett (left) and Mr Peter Simpson with Chairman of Chenies Village Society Mrs Katherine Le Neve Foster.
